USAC	<p>Thank you again for contacting USAC Client Service Bureau.</p> <p>It was my pleasure assisting you today!</p> <p>As advised the fcc registration number for St Joseph Christian School has been updated.</p> <p>February 27, 2019 at 11:59 PM EST was the last date to post an FCC Form 470 that you intend to cite on a timely-filed FY2019 FCC Form 471 funding request.</p> <p>FCC rules require applicants to wait at least 28 days after the FCC Form 470 is posted to the USAC website before selecting a service provider, executing any contracts for contracted services, or signing and submitting an FCC Form 471. Your state or local procurement regulations may require a longer waiting period or impose additional requirements. Please note that if you have a Request for Proposal (RFP), it must also be posted for at least 28 days. Note that some state or local procurement rules or regulations require applicants to issue an RFP in addition to the FCC Form 470, and an RFP is required by FCC rules for certain types of service.</p> <p>Thus, filing the FCC Form 470 later than 2/27/2019 will result in a late-filed, or "out of window" FCC Form 471. There is not an available procedure to request an extension for the FCC Form 470 or the FCC Form 471, but you</p>	2/28/2019 11:07 AM EST

	<p>may request a waiver of the FCC's rules surrounding the 471 filing window after filing the FCC Form 471 out of window. Follow these steps:</p> <ol style="list-style-type: none"> 1. If you have not already, post the FCC Form 470 as soon as possible. 2. Follow the 28-day competitive bidding requirements. FCC rules require a minimum bidding period of at least 28 days; however, state or local procurement regulations may require a longer waiting period or impose additional requirements. Failure to meet competitive bidding requirements will result in denial of funding. 3. File your FCC Form 471 as soon as possible after meeting the minimum competitive bidding period. In EPC, you will not be able to associate your FCC Form 470 to a contract record or to the FCC Form 471 until the 28 days has elapsed. This will result in your FCC Form 471 being filed after the close of the filing window. Out-of-window applications are not considered for funding if they remain in an out-of-window status. 4. For USAC to move your application in-window, you must request from the FCC a waiver of the filing window deadline, and the FCC must grant your waiver. Thus, as soon as possible after filing the FCC Form 471, submit your waiver request to the FCC. For instructions, please see the July 29, 2016 Schools and Libraries Program News Brief under the heading "Submitting Window Waivers": http://www.usac.org/sl/tools/news-briefs/preview.aspx?id=710 <ul style="list-style-type: none"> • Additional information regarding submitting an appeal or waiver to the FCC can also be found on the Appeals page of the Schools and Libraries website, under the heading "To File an Appeal with the FCC": http://www.usac.org/about/about/program-integrity/appeals.aspx • For additional information about the 28 day waiting period, please see the following page on the Schools and Libraries website: http://www.usac.org/sl/applicants/step01/waiting-period.aspx • For guidance on calculating your 28 day waiting period, refer to the 8/4/2017 Schools and Libraries News Brief: http://usac.org/sl/tools/news-briefs/preview.aspx?id=784 <p>If you have any questions or believe this case was closed incorrectly, please re-open this case or contact us at (888)-203-8100.
